

Powerful Prayer Against Spirit Of Death 4

Suicide – Premature Death – Death through Illness – Accidents

Holy God of creation, breath of life, bread of life, water of life healer and redeemer, deliverer and protector of the innocent. Lord of hosts, Lord of lords and King of kings.

The enemy is spreading his nets, he is digging the pits for the weak to fall, waving the spiders net to catch its victim as a spider catches the fly and sucks all life out of it. As the reptile is waiting in the hidden for its prey and as the swamp swallows the lost, so is satan waiting to devour those unaware and tries those who are aware, if he cannot destroy them by this or that way. It is his work and his pleasure to kill with all tricks like a fox or a charcoal in the dessert. He steals the life of the young and the old using the workers of iniquity, the witches and wizards, the sorcerers and the satanist, he uses the fortunetellers and the dark seers to mislead and to pour out spells and curses of death! The enemy cause accidents and pestilence, he makes asleep and drunk he causes negligence and blindness, he talks as a smooth deceiver with a soft voice to lead to suicide. He kindles anger and hate and unforgiveness and makes believe that through revenge there is justice and satisfaction.

Here I stay as thy chosen soldier, righteous through the blood of Jesus Christ shed on the cross at Calvary and with all authority given over the enemy on earth and declare and decree for the people of the Philippines that no premature death will come to pass which the enemy planned, as I cancel by the blood of our Lord all the plans of the enemy in this nation to bring hidden premature death. I cancel and annul every spell against the Philippine people which has been uttered by the workers of darkness to cause unexplained death, sudden child death.

I cover all the roads of the Philippines and the sea and air ways with the blood of Jesus, I cover every vehicle used for any means of transport is it ship, boat, airplane, helicopter car, truck, motorcycle with the mighty blood of the Lord Jesus and I arrest every spirits of death that is assigned to cause accidents even in the work and home places and I command you to live as I render you powerless and I destroy all your works and plans, all your sacrifices and ways of communication between each other. I stuff the ears of the evil people with wax that they do not hear the evils voice but the voice of the Lord, to go away from their evil ways.

I speak confusion into the camp of the enemy that those who make such plans do not know the right from the left and the up from down, that they misspell their spells even to themselves and destroy their works by themselves.

In the name of the Lord Christ Jesus I come against death through overdoses of drugs, through killing in hospitals and for those accidentally drinking poison caused by the enemy. I cover the children of this nation with the powerful blood of the Lord, not to fall into ditches, wells, holes, not to touch necked electrical appliances and wires and I declare by the name of the Lord that they will not drink harmful substances. I declare that they are protected from death caused by machines and animals, by plants and weather and lightning and landslides and floods and any other cause caused by the enemy!

In the name of Jesus Christ, I arrest the spirit of suicide in the Philippine nation and command you to leave the people of the Philippines and the strangers living in it. I pray thee Holy Spirit that you will speak to them and convict them, that you overthrow the voice and the evil enemy spoken to them, that they hear encouragement instead of discouragement, hope instead of hopelessness, life instead of death, love instead of hate and that they hear the gospel of our Lord Jesus Christ. Lord God almighty I pray thee that thy angels take well charge of those whom the enemy has lied to and leading them into suicide, thy angels oh Lord I pray that they prevent the acts and take away the causes, that they even before the endangered people think about suicide get miracles council to be drawn away from death for the glory of your holy and mighty name!

I pray for the sick made sick by the enemy, I cover them with the blood of Jesus and as I lay hand on them here and now in the spirit, I decree and declare healing and restoration into this bodies in the name of the Lord Jesus Christ and I cancel death!

Father let all those people come to know that you have done it, that you have protected them, that you prevented them from going down into the pit, let their testimonies be heard all over the nation and abroad what wonders you do. That they will praise you and declare that you are God only!

I thank you lord

In Jesus name I pray AMEN
