

# Prayer for the Persecuted Christians

In the mighty name of Jesus Christ, I come before you God almighty and plead for the persecuted saints, who suffer persecution for their faith. I pray here for those in prison who are captive in injustice because they believe in You, I pray for those in war zones who trust you lord, I pray for those Christians who are restricted in access to work and livelihood because they openly confess you my lord Jesus and hold on in their faith, I pray for those rejected by their families and friends and live in hardship because they believe in the Son of God, I pray for those who lost their rights on citizenship for loving you, I pray for those Christians in Islamic, Buddhist, Hindu and pagan countries and regions, who stay in fear to be killed and tortured and keep their faith in you, and I pray for those who face death penalties because they preach the Gospel of our Lord and do not want to give up their faith. I pray the Holy Spirit, keep them strong in faith, comfort them and provide all their needs and let the persecutors wonder about your children's provision and blessings. I pray thee to send your angels, to open the prison gates for your persecuted children and I pray thee Lord that You heal the wounds of those being tortured for their believe in you, the physical and the spiritual wounds. I pray thee Lord, that you favor them, and provide for them their needs and that you hold them under your wings. Deliver them with your mighty hand in a mighty way Lord.

Father I pray thee to protect those who provide shelter for those fleeing persecution who believe in your name. I pray thee Lord that you provide for those who help thy persecuted and needy children, bless them and give them wisdom and needed connection in Christ Jesus and that those who help your children may see the light and be lead into salvation.

I command those persecuted Christians, their families and children under your wings Lord, have your way, You are a God of miracles and wonders, manifest yourself in the life of these my brethren and let your hand not go away from them!

Lord I pray for those who persecute your children in Christ, may you convict them that they see the truth as they are blind. Let them hear the gospel and be touched by it so that they find the way into salvation!

In Jesus name

AMEN
