

## Powerful Prayer for the Government of the Philippines

In the almighty name of our lord Jesus Christ I as a remnant of the church of Jesus Christ destroy and crash to dust all the altars of witchcraft and satanic powers in our government offices.

From the office of the President of the Philippines, in the Senate of the Philippines, in all other offices of the ruling government of the Philippines into the smallest offices in the barangays of our nation, in all houses of every government worker.

I flood all this offices and all these houses with the mighty and precious blood of Jesus Christ, to flash out all the dust from the remains of satanic works.

In the name of Jesus Christ I speak light in every government office and every government workers house, and I declare and decree that where the light of God floods in, all works of darkness have to flee and by this I cast you out dark spirits and all your workers of iniquity, out of our government, out of our nation, leave now in the name of Jesus Christ.

I declare and decree and I pray thee father in heaven in the name of Jesus Christ, that every corrupt work in the government of the Philippines, every activity of stealing from the people of the Philippines through corrupt government workers will be exposed and come to light and public notice! I declare and decree that every evil work in the government offices will be seen public and every unfaithful government worker will be exposed.

In the name of Jesus Christ I speak godly wisdom into the government of the Philippines and godly behaviors. I speak godly wisdom into the lawmakers section of our government, so that laws according to the will of God will be created and passed by the government of the Philippines and that ungodly and unprofitable existing laws in the Philippines will be nullified

In the name of Jesus Christ I speak godly wisdom into the ministries responsible for economy, finance, agriculture, foreign politics, social infrastructures, social welfare and into the educational and cultural ministry to enable our nation to grow and demolish poverty, false doctrines, traditional rituals hindering people to become godly prosperous and free.

In the name of Jesus Christ I destroy the work of the enemy, making contracts with other nations, which will bring a hidden and open threat and are unbeneficial for the Philippine people. I declare and decree that all such attempts will come to light and will be exposed.

I declare and decree in the name of Jesus that all unbeneficial and from the past made agreements and contracts with foreign nations which made a threat and loss for the Philippine people will be nullified and lost property of our nation to other nations will be restored to the Philippine people with interest and all loss will be restored to the Philippine people caused by such contracts and agreements.

In the almighty name of Jesus Christ, I crash all the powers of all made spells of the kingdom of darkness and its workers against the Nation of the Philippines to dust and nullify them by the blood of the Lamb and render them powerless and blow them back with a storm from where they came from!

In the name of our Lord and Savior Jesus Christ, every curse made against the Philippines and it's people I turn into blessings and I shut the mouth of those who curse the Philippines and bind every tongue, speaking evil and dark plans against the Philippine nation.

In the powerful name of Jesus Christ, every covenant made by workers of iniquity, with the dark kingdom concerning the Philippines and its people I declare it nil and wash away every signature with the blood of Jesus Christ.

With the sword of the spirit I break asunder every chain and cut every rope and every bound that hold's the Philippine nation into the kingdom of darkness.

I declare and decree freedom from all the dark powers, which is hindering the Filipinos to become holy, godly people and a prosperous people.

In the mighty name of Jesus Christ I speak prosperity into the Philippine nation, into every corner of the country, into every household.

I pray thee Father that you keep your servants and their families under your protective wings, those who work faithfully in the government

I pray for those evil and corrupt workers, that you may convict them, that they hear the gospel of Jesus Christ and be touched by it, so that also them come to repentance and find the way to the light and into salvation.

In the name of Jesus I pray; AMEN
