

Powerful Prayer for the Finance Sector of the Philippines

In the almighty name of Jesus Christ, I pray thee Lord God to take up the fight against the stronghold of satan in the bank and finance sector of the Philippine nation.

I destroy all covenants and wash all signatures on such covenants made with the kingdom of darkness by the workers of iniquity, by the blood of Jesus Christ

I render those covenants powerless

In the name of Jesus Christ I destroy with the hammer of the Lord all altars of witchcraft in the finance sector and all sacrifices made to the kingdom of darkness and crash them to dust and I pray thee Holy Spirit that you consume them with thy holy all consuming fire.

I pray thee Holy Spirit, that you enter in every chamber of the finance sector in the Philippines, in every corner of the Philippines where money is handled for the Philippine nation, to ignite thy fire and to burn out every dark evil work, which keeps the currency and the economy of the Filipinos low.

I declare and decree in the name of Jesus Christ, that every corrupt worker and every wizard and every witch, every person connected into the kingdom of darkness, every thief and con men in the finance sector of the Philippines, will be exposed and all their evil work will come to light. Every corrupt contract and every action of money laundry and corrupting the currency of the Philippine nation will be exposed.

I declare and decree in the mighty name of Jesus Christ, that the currency of the Philippine nation becomes one of the leading currencies in the world market.

I speak light and godly wisdom into the bank and finance sector of the Philippines and command darkness to flee and light shall remain from now on forever more.

I declare and decree in the name of Jesus Christ, that all the recourses of the land of the Philippine will fully serve the Philippine people according to their abilities.

In Jesus Name Amen.
