

# Powerful Prayer Media Sector of the Philippines

Lord God almighty, I plead before you on this day and pray thee, as you know better than me, that the media in our time is one of the biggest influences of the nations. Lord God, the media in the Philippines is misleading and polluted with all kind of abominations as people are led into idol worship and sexual disorientation, and these abominations are favored in the media, which create a false idea in our people of whom you are and who they are.

Our children are misled into a virtual world by social media, far off from a godly life and far from reality. Led into idol worship, confusion, suicide, sexual lust, crime, disobedience, rebellion and destruction.

In the name of our Lord Jesus Christ, God I pray thee with all my heart and pain I feel for these people, take up the fight in the heavens, to destroy every power of Satan in the section of Broadcasting, Podcasting, Printing Media and Social Media in the Philippines.

In the name of Jesus I come against the promotion of homosexuality, transgender, feminism of man, bisexuality, idol worship, killing, war, crime, magic, Satanism, illusion, witchcraft, careless lifestyle, character assassination, false news, violence, divorce, child abuse and sexual lust.

In the name of Jesus Christ, I arrest every spirit contradiction with God in the section of Broad & Podcast, Print Media and Social Media in the Philippines and I render your powers to nil. In the name of Jesus I command you to get out of Broadcasting, Media and Social Media in the Philippines.

I flood this section of Pod & Broadcasting, Media and Social Media in the Philippines with the blood of Jesus and I decree and declare a godly change into this section and in the name of Jesus I dismiss every Journalist, Editor, and every person responsible for the content which is of dark minds and contradict with the word of God.

I declare and decree godliness into the Philippine Pod & Broadcasting, Print Media and Social Media, I speak light into these offices and channels

In the name of Jesus I cancel all negative effects caused by broadcasting media, social media, newspapers and magazines sent unto and into the people of the Philippines.

Lord Jesus I ask thee, to have your finger in all the media of the Philippines and in all media devices of the Filipinos.

I flood all media devices inclusive mobile phones, laptops, pc's and tablets of the Filipinos, with the blood of Jesus and cancel all effects of negative influence to the Filipinos.

In the name of Jesus I pray these nations Christians to change their attitudes using the social networks and chats, and bring the word of God into it, to dismantle every idol conversation but to bring light into it.

In the name of Jesus Christ, by the power of the Lord Jesus, I open the eyes of the Filipinos, to see the destruction made to them by the media and expose these things in public to bring destruction into this satanic activities and force media to change

I declare and decree a change into the Radio and TV, Print & Social Media from evil to godly.

If the media changes, the nation changes also!

Lord God with all my heart I pray thee to intervene

In Jesus Name

Amen
