

# Repenting For The Philippine Nation

2nd Chronicles 7:14-15

14 if my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land. 15 Now my eyes will be open and my ears attentive to the prayers offered in this place.

Father in heaven I come before you in the mighty name of our Lord Jesus Christ and repent for the sins of our nation the Philippines. I have heard your voice of cry over us and I see our fault and sins before us. We are an adulterous nation and full of abomination and Lord our almighty God I am here today and I pray thee, to put strength into our bones to lift me from the bed of the harlot on my knees. Your word came to us and has washed out the lie of satan and has strengthened me to stand in the gap for this wonderful land which You have given unto us in all your love and kindness.

We have sinned in your eyes, we have despised your ways and your council, we have despised in our pride all the servant of yours you have send over many years to us. We have welcomed the preachers who please us with their smooth words.

Lord God almighty, this is the day you have made, this is the day I got strength and I got of your wisdom. This is the day I will start and confess our sins before you and repent and leave all evil ways.

Here I am and I repent for the sins of Idol worship in our nation which is leading many of our people into hell, into darkness, away from you and we have not done anything about it. I repent Lord God for this abomination, for bowing down to wooden gods, made of stone and iron, of plastic and bronze, of brass and gold and silver. I repent Lord for not recognizing that You are the Alpha and Omega and that there is none beside you!

I repent for our nation for serving this man made god's and leading our children, generation by generation, to do the same and make it a tradition not to be broken and punish our children if they do not follow.

Lord God, I repent for following false doctrines and sacrileges, for relict worshipping and false holiness. I repent for the pride of this nation and I ask you in your loving kindness to forgive our nation for this abomination. Forgive us Lord and teach us your ways. I pray you God to touch all your servants in this land to stand up, to wake up and to rise and to preach and to teach as I today commit myself to do, to bring glory to your name and bring people into the kingdom of God. To open the eyes of the blinded and to lead them into the way of salvation.

Here I am and I repent for the sin of preaching a false gospel in our nation, a gospel you have not died for, a gospel of prosperity, of gold and silver, a gospel of a material world and of lust's. I repent for the false preachers and the false prophets Lord God, may you forgive them, they do not know the truth, they are set up by the enemy, they have not truly seen You, they haven't ever heard your word in truth. The enemy has hardened their heart and blinded them. Lord I repent for this sin and ask you to forgive and to restore the good in them, to bring light into their hearts that they go away from their evil ways and lies and hunger for money and worldly treasures.

Lord You can do it, you are God the creator of everything. Help us in our infirmities, help us Lord to do right and preach the Gospel You died for and to be the light and to bring this light into our nation. Into every corner of this Land.

Forgive us Lord that we did not come earlier to you and correct our ways. Forgive us in thy endless mercy!

Here I am and I repent for the sin of allowing to confuse our children and people from thy creation. You have created us in thy image and likeness. But we Lord, we play god and think we are bigger than You. We allow our children to be confused about their Lord given sex as a man and as a women. We create ways to change their sex and to allow them to live their fantasies out in all corners. We allow them to get lost and support it. We promote it in TV and magazines. We create ways for them to grow in it and to develop. We let them go out and infect others and we even let them serve in our churches. God forgive us for the homosexuality, the transgender, the effeminate, the lesbian, the animal sex lovers, the bisexual. Forgive the doctors who misuse their God given knowledge to create a illusion to make it possible for them to change from man to women and from women to man. Forgive us for even thinking to make a law in this nation to allow same sex marriage. Lord we are lost. I repent and I repent. We are a evil people, but I remember you God, I have heard you, and here I am to repent. Forgive us and give us wisdom to demolish all this dirty work we have build up.
